BCYF Jackson Mann Community Center is pleased to announce the **upcoming classes that will be offered** at our center.

### Registration is on going

When Jackson Mann Community Center opened in 1976, community classes were offered on an ongoing basis. Through the years, participation and enthusiasm seemed to diminish, however, the need for Adult Enrichment seemed to be bigger than ever and we are happy to offer courses once again, throughout the year.

Our spring session was the pilot... and the beginning of what we hope to be a tremendous resource to you, the residents of this community. We are open to your suggestions as to what you would like to see offered here and of course, if you are interested in teaching a skill such as art, writing, knitting, music, etc... please let us know and we would be happy to include it into our programming.
